

Box plot showing the distribution of the number of countries in the sample for each region. The x-axis lists regions: Burkina_Faso, Ghana, Guinea, Mali, Nigeria, Cameroon, Tanzania, and Asia. The y-axis represents the number of countries. Each box plot shows the median, quartiles, and range, with outliers marked as dots. Sample sizes are indicated above each box: 17 for Burkina_Faso, 3 for Ghana, 5 for Guinea, 10 for Mali, 18 for Nigeria, 5 for Cameroon, 18 for Tanzania, and 1 for Asia.
